Legal Information

THOMSON REUTERS

01 Supporting your legal workflow

The new Westlaw UK has been built to support your legal workflow, allowing seamless access to other leading Thomson Reuters solutions, such as Practical Law and Books. Joint Practical Law, Westlaw UK and Books users will now be able to benefit from seamless navigation between leading know-how and legal research resources.

Throughout 2019 and beyond, Westlaw UK will continue to integrate with other Thomson Reuters solutions, such as Lawtel. All with the aim of making your legal research experience easier, and enabling you to quickly find the answers you need.

02 Enhanced search functionality

With optimised search templates, the new Westlaw UK allows you to perform more accurate and precise searches, enabling you to find the content you need faster.

The re-designed search results pages allow you to tailor results by a selection of key filters, such as topic, jurisdiction, court, status and date. It also offers the ability to see ‘more’ and ‘most’ detail, aiding you in your search to pin down and locate the correct content for your research.

03 Improved user interface

Following an industry standard re-design, the new modern interface allows you to quickly and easily access the content you need.

An optimised document display enables you to easily locate key information, such as the status of a case or legislative provision. The enhanced interface also provides consistency in design with Practical Law and Books, meaning that once you've learnt the basics of one of our legal solutions, it is far easier to use and extract the benefits from them all.

04 New levels of personalisation

The new Westlaw UK offers an elevated level of personalisation, providing the ability to set your own homepage, view your history, annotate documents or save resources to a folder.

05

New collaboration features

As organisations move towards a more collaborative way of working, it's important to support this movement through efficient and effective solutions.

Westlaw UK now provides the capability to create, edit, view and share annotations with colleagues, as well as the ability to share curated folders.

06

Keep abreast with key dates

In an ever-changing legal landscape, the new Westlaw UK now offers key date calendars to aid in identifying upcoming legal changes in the areas that matter to you. With Microsoft Outlook integration, it provides the option for calendar reminders, so you can be certain you're working with the latest information.

Archbold Criminal Pleading Evidence and Practice 2018 Ed.

Author: James Richardson, QC

07 New dedicated interest pages

Westlaw UK is constantly engaging with users to discuss what challenges the legal community is facing and this feedback has led to the creation of dedicated interest pages.

For example, explore focused Crime and Scots Law pages, or the Court pages, which enable you to browse cases content in a completely new way, across the 3 biggest courts in the UK.

08 New levels of alerting

The new Westlaw UK allows you to tailor when and how you are notified of a legal change, ensuring that you are always up to date with the latest legal developments.

Quickly and easily create search or topic alerts, as well as the ability to document alert on cases content.
