

RAMS Training

R22 RAMS Reporting - Kyubit

Objectives

RAMS reporting capabilities have been specifically designed to allow individual WA Government agencies to access customised reporting data.

This course covers how to create reports, how to obtain relevant data and how to save the reports for later use.

Learning Outcomes

At the end of this session participants will be able to:

- Log in to Kyubit to access the RAMS Data Warehouse
- Create new analyses/reports
- Download analysis data to Excel
- Run and amend Default Reports
- Create email reporting subscriptions

Session Duration

Approximately 2 hours.

Session Delivery Methods

Online via Teams / Telephone

Note: The Teams session allows participants to view the trainer's computer screen. At no time does the trainer access your computer.

Learning Materials

Support materials will be emailed on completion of the course.
