

Researching Cases & Legislation

Malaysian Bar

Session Objectives

The session focuses on providing step by step instructions on how to conduct legal research for Malaysia cases and legislation using Westlaw Asia. The trainer will demonstrate how to browse content, conduct keyword searches, filter results and access analysis information.

Learning Outcomes

At the end of this session, participants will be able to:

- Create a OnePass username and password.
- Understand the coverage of Malaysia cases and legislation.
- Work with the cases and legislation search templates to locate relevant documents.
- Conduct a terms and connectors search.
- Navigate, filter, and refine results.
- Access Case Analysis to view the application and history of a case.
- Access the Overview Document page to display the enacting and commencement details of the legislation.
- Access the Legislation Analysis page to display the table of amendments and commencement information.
- Add an annotation or highlight text in a document.
- Print and download cases and legislation documents.
- Access the help and support services.

Session Duration

Approximately 30 minutes.

Session Delivery Methods

Internet (Microsoft Teams) - The Teams session allows the participant to view the trainer's computer screen as they demonstrate research strategies on Westlaw Asia. At no time does the trainer access your computer.
