

Westlaw Middle East

Legislation & Case Law

Objectives

In this webinar, we look more closely at two of the resources on the Westlaw Middle East platform, namely premium Case Law and Legislation. Using these resources, as well as the complimentary content sourcing or platform legislation translation services, will help you build the best case and put your clients at ease.

Learning Outcomes

At the end of the session participants will have explored the following on the Westlaw Middle East platform:

- Navigating and optimising the platform search functionalities, including using search terms and connectors
- Legislation tab: how to search by citation, explore related content, and create customised alerts to stay updated on legislative developments
- Case Law tab: how to search by citation, or browse cases by court or subject
- How to annotate documents, utilize delivery tools and create folders
- Complimentary content sourcing and legislation translation services
