

# Practical Law Australia - Essentials

## Webinar objectives

This webinar provides an overview of Practical Law, finding and using different content types and productivity tools. It qualifies for 0.5 CPD/CLE points. A Certificate of Attendance is emailed an hour after attending a webinar.

## Learning Outcomes

- Browse content by practice area or type
- Identify maintained (up to date) or date-stamped content
- Search using keywords and connectors and filtering results
- Annotate, print, download and save content into folders for personal use or collaborating with colleagues
- Set up weekly practice area, current awareness alerts and document alerts
- Browse to Global content (if subscribed)
- Finding Help & Support materials

## Session Duration

Approximately 30 minutes (0.5 CPD/CLE points).

## Session Delivery Methods

Online webinar using Microsoft Teams. No downloads are required.

## Training Specialist

This session will be facilitated by:

May Nguyen, who is an admitted lawyer and has over 7 years practice in commercial and property law and has also worked in legal/business consulting.

Mark Norman, who has over 15 years' experience as a legal librarian, researcher and trainer in the UK and Australia.
