ARRANGEMENT OF INDEXES

The **General Index** is an index (with cross references) of the subject matter of this volume. It covers the entire contents of the volume, including Articles and High Court and Privy Council decisions, as well as notes and paragraphs in the various departments of the Journal.

The **Table of Cases** is a table for this volume of all the recent English, Australian, and other decisions which have formed the subject matter of explanation and comment in articles and in notes and paragraphs in the various departments of the Journal. It also includes the names of all High Court and Privy Council decisions noted in this volume.

Articles—Authors : For those who may desire to refer to an article by the name of its author, there is also included an Index of Authors, which includes all articles under Authors' names arranged alphabetically. For subject matter of articles, see the General Index.
