

Creating a ProView shortcut on a mobile device

Login to ProView at next-proview.thomsonreuters.com

Microsoft Edge

- Tap on action menu (☰)
- Apps
- Install Thomson Reuters ProView

Google Chrome

- Tap on the three dots (⋮)
- Tap on **Add to Homescreen**
- Install Thomson Reuters ProView

Safari

- Tap the **share icon on the device** (📎)
- Tap **Add to Home Screen**
- Tap **Add**. On screen instructions will also appear the first time you download a title.
