

Practical Law

Spotlight on Litigation and Dispute Resolution

Course Description

This session will provide a comprehensive overview of how Practical Law can be a powerful resource throughout the litigation lifecycle. The session will focus on practical applications of Practical Law's tools and resources to enhance litigation strategies and effectively navigate dispute resolution processes. Attendees will learn how to leverage Practical Law to streamline their workflow, improve efficiency, and achieve optimal outcomes for their clients.

This session covers the following:

- Navigating the Practical Law platform
- Browsing content in the Dispute Resolution practice area
- Searching using keywords or terms and connectors and filtering results
- Jumpstarting your litigation research with Search & Summarize Practical Law
- Explore related Dispute Resolution content with Knowledge Map
- Create your own Matter Map to streamline your litigation workflow

Session Duration

30 minutes.
