

### Unreported Judgments Scope

#### Comprehensive Coverage

All judgments released to Thomson Reuters by the relevant court/tribunal with a media-neutral citation within the date range indicated. A small number of judgments may not be available (for instance, due to publication restrictions).

#### Selected Coverage

Thomson Reuters holds a limited selection of cases released by the relevant court/tribunal within the date range indicated. Cases are selected for inclusion based on key factors: significance, reported status, court/tribunal division/list, being part of the litigation history of an included case and/or being cited by another Thomson Reuters publication.

#### Other Judgments

Thomson Reuters may also have a smaller number of selected unreported judgments from outside the specified date ranges and/or from other courts/tribunals.
